

# COVID-19 Update

We are pleased to announce that dentistry and hygiene services are now available by appointment only on Monday through Friday, from 8 am - 5 pm. In order to maintain physical distancing, we are limiting the amount of people in the office at this time, so no walk-ins.

We are adhering to the strict guidelines outlined by our association and college to keep our patients and staff safe and healthy during COVID-19. We will screen patients over the phone and take their temperature as they arrive. We ask that everyone enters the building with a mask on and sanitizes their hands when entering our office.

If you have any symptoms of COVID-19, we ask that you reschedule your appointment for a later date when you are healthy. Most of our team is back to work and looking forward to reconnecting with patients. You may not be able to tell who we all are under the extra layers of PPE, but know that we will be greeting you with the same friendly smiles we always have.
